Road Description and Map

If you are travelling by car, take the highway E18 towards Arendal. The easiest way to get to HERNIS is to exit E18 at Nedenes. In the first

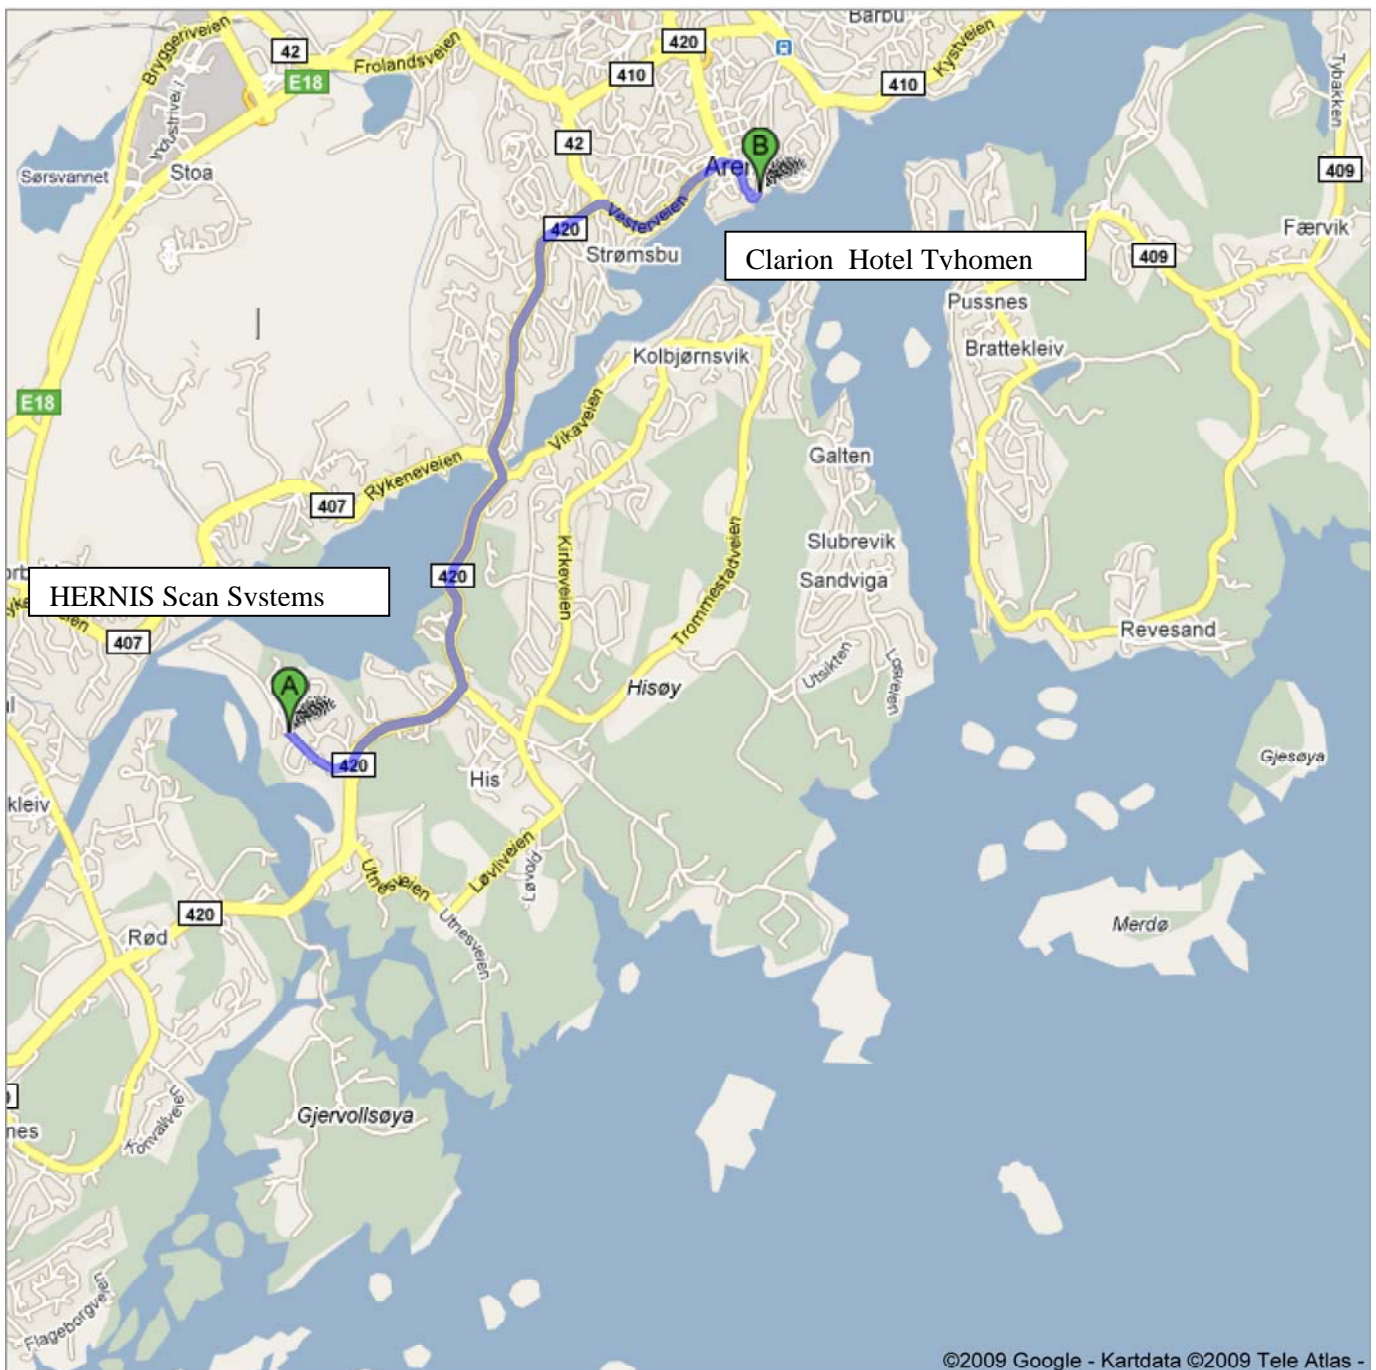

roundabout after exiting E-18, take left towards Hisøy. Follow the RV420 until you reach an Esso gas station on the left hand side. Turn left in

the junction and go straight ahead till you reach HERNIS at the end of the allé. See roadmap overleaf.
