Nearest Airport

Singapore Changi International Airport is the only international airport in Singapore and is situated at the tip of the east side of the island. The distance to HERNIS' office is approximately 5 km. Public transportation in Singapore is very good. The

taxi service is very efficient and affordable. The fare from the airport to the office would be approximately S\$15.00. Complimentary hotel shuttle transfer is also available for most hotels in Singapore. If you prefer to check into your hotel and unwind after a long

flight before visiting us, the hotel that you are staying in will gladly arrange transfer from the airport to the hotel. If you decide to stay in Orchard Road, the Mass Rapid Train (MRT) is located in terminal 2 of the airport and is reasonably convenient.
